Master of Ceremonies, Events Manager

Sandra Beynon is a highly experienced MC and owner of Body and Soul Music, a private events management business, as well an Author, Publicist and Social Media Manager. She has hosted scores of successful events on the Kookaburra River Queens during her tenure as Events Manager in the mid 2000s, and many private functions since 1991.

Her ability to relate to audiences, young and old, her innate sense of fun and quick-thinking, her impeccable presentation and clear speech, makes her one of Brisbane's most in-demand hosts. Sandra's organizational skills and ability to stick closely to a time-schedule makes her a rarity in the events world.

Bulimba Golf Club, The Greek Club, River City Supper Club, Jephson Hotel – just a few of the Brisbane CBD hotels which have enjoyed Sandra's mastery of the stage.
